# SAFETY STARTS WITH YOU

## A DANGEROUS WORKPLACE

- You **MUST** pay special attention to pedestrians, big machines and lorries.
- **DO NOT** enter, or stay in, the work area of cranes (360 degrees) or other machinery. Crane, machine operators and truck drivers are exempt during the work process.
- Crane and machine operators may **NOT** position cargo above people.
- You **MUST NOT** unload or place goods close to the quay edge. Leave at least a 1.0 m free path between the goods and the quay edge.

## TRAFFIC GUIDELINES

You **MUST**:

- drive to conditions and respect traffic signs.
- comply with the speed limits.
- secure your cargo.
- respect gates, barriers and traffic lights.
- give priority to the right.

**DO NOT**:

- spill cargo or dust from the load.
- use handheld cell phones while driving.
- park on the quay areas where cargo is transported.

The safety of you and others depends on your cooperation..

## PROTECTIVE EQUIPMENT

- You **MUST** wear a helmet in the crane work area and in areas with a risk of falling objects.
- You **MUST** wear safety shoes and should always wear a helmet and personal protective equipment at the port.
- You **MUST** wear a lifejacket when working on the quay or on the fleet and smaller vessels, etc.

## VISIBILITY

- **MAKE SURE**, that others can see you by wearing reflective clothing.
- **BE AWARE** of your surroundings.

Port of  
**Kolding**  
a greener harbour

## ALCOHOL AND DRUG POLICY

- When working at the port, you are **NOT ALLOWED** to be impaired by alcohol or other intoxicants.

## SMOKING AND USE OF FIRE

- Respect signs banning the use of open fire.
- Respect ALL signs prohibiting smoking.

## SECURITY

- You **MUST** provide ID if required.

## HAZARDS AND INCIDENTS

- Location signs are placed in various spots at the port. Call 112 and give them your location number.
- Defibrillators are available 24 hours a day at the administration building by the parking lot at Jens Holms Vej 1, as well as the operations office at Trindholmegade 41.

At the Port of Kolding, safety is high priority. We all have a responsibility to make the port a safe place.

**Your efforts make a difference.**

**Be a role model.**

This leaflet was prepared in cooperation with the Port of Kolding's Working Environment Committee.
